A SPECIAL OFFERING FOR THE BENEFIT OF THE
FLORIDA UNITED NUMISMATISTS YN PROGRAM

LOT NUMBER 1

Through the generosity of J. T. Stanton and Bill Fivaz we are pleased to offer Galley Proof #10 of their newest book - "THE CHERRYPICKERS GUIDE TO RARE DIE VARIETIES". Edited by Mike Ellis, this is the Fourth Edition - Volume One. The book has 450 pages, many photographs, is covered in heavy card stock and is spiral-bound. This copy is from the last proof run and is bound as an 8.5" x 11" book rather than the finished size of 5.5" x 8.5". It is the first such copy to be offered for sale publicly.

All proceeds from the sale of this book will go to the FUN Young Numismatists Program. There is no buyer's fee, no packing charge and you will not be billed for the postage. Take advantage of a real scarcity that is the "bible" for those seeking rare die varieties and, at the same time, contribute to a program that fosters the growth of young people just starting in the collecting experience.

Florida United Numismatists extends their heartfelt thanks to the authors for making this opportunity available.

Note: Please bid in one dollar increments on this lot. Our estimate of the value is \$150.00, but, of course, you are free to bid whatever you wish.
